Biology graduate — cell and molecular biology

Summary

Biology graduate with two years of undergraduate research using microscopy and cell culture.

Education

B.S. Biology, Lakeshore University, 2021 – 2025

Research Experience

Undergraduate Research Assistant, Lakeshore Cell Biology Lab, 2023 – 2025

Prepared samples and ran 40+ microscopy experiments

Analyzed data in Excel and wrote lab reports following safety procedures

Skills

Laboratory, Microscopy, Cell culture, Data analysis, Safety, PCR
